The actions taken worldwide and within the Philippines, as a result of the COVID-19 pandemic, has severely affected the conduct of trainings, revalidation of certificates, and ship to shore interactions including effecting crew changes.

In response thereto, the Maritime Industry Authority (MARINA) adopts IMO Circular Letter No. 4204/Add.5/Rev.1 dated 02 April 2020 which encourages the issuing Administration and the Port State Control authorities to take a pragmatic and practical approach with regard to the extension of the validity of seafarer's certificates and endorsement, as strictly necessary, in accordance with the STCW Convention, 1978, as amended.

In view thereto, the following guidelines relative to the extension of the validity of the STCW certificates are hereby issued.

All STCW certificates previously extended by virtue of earlier issued MARINA Advisories bearing reference numbers "MA-2020-83", "MA-2020-73", "MA-2020-66", and "MA-2020-64" (all series of 2020) but were not re-validated up to now due to lack of refresher training as applicable to their certificate to be revalidated shall be **extended up to 31 December 2021** without need to file for an application of extension at the MARINA. This applies to all seafarer's who are both ONBOARD or ASHORE on the date of issue of this Advisory
2. All STCW certificates issued by MARINA that are expiring between the period **01 July 2021 to 31 December 2021** (dates inclusive) shall be extended for a period of **one (1) year** from the date of expiry of the certificates without need to file for an application of extension at the MARINA.
