JOINT CHED-MARINA ADVISORY No. 02
Series of 2022

SUBJECT: REVISION TO JOINT CHED-MARINA ADVISORY NO. 01, s.2022

DATE: 28 February 2022

Pursuant to Technical Panel for Maritime Education (TPME) Resolution No. 09, Series 2022 dated 24 February 2022, the Joint CHED-MARINA Advisory No. 01, s.2022, "Strict Compliance of the Maritime Higher Education Institutions to Joint CHED-MARINA Memorandum Circular Nos. 01, s. 2019, CHED Memorandum Order No. 67, S. 2017 and CHED Memorandum Order No. 14, s. 2018" is hereby revised directing all MHEIs to:

1. Address the missing KUPs in the courses Nav4, Nav7, and Management 1 using the Course Specifications provided as attachments of this advisory, and ensure their inclusion in the Detailed Teaching Syllabus (DTS), Instructional Materials, and Assessment Tool, as well as, their alignment with the Course Outcomes. Further, all KUPs of courses under CMO 67 s.2017 and CMO 14, s. 2018 shall be thoroughly reviewed and verified against the competences of the STCW Code;
2. Incorporate in the syllabus the use of stress calculating equipment and acquire the appropriate software to calculate vessel stability and trim (applications) in the course Seam 2 and 6 to address the Course Outcomes, and other required equipment for courses identified in the preceding paragraph;
3. Use the templates of Detailed Teaching Syllabus and Assessment Tools issued during the CHED-MARINA workshop conducted in November 2021;
4. Submit one (1) sample course each for BSMT and BSMarE of completed activity and Assessment Tool for the required documented practical/laboratory exercises and Assessment Tools provided that:
 - a. The titles of all other activities and Assessment Tools covered by the course shall be written in the Detailed Teaching Syllabus;
 - b. The DTS shall be in accordance with the CMO 67, s. 2017 and CMO 14, s. 2018 curriculum map with the inclusion of the missing KUPs from the EMSA-identified courses;
5. Develop catch-up plans and submit remediation courses to bridge the gap for students who completed above courses with missing KUPs;
6. Update educational reference material following CMO 22, s. 2021 "Minimum Requirements for Libraries of Higher Education Institutions Common to All Programs"; and
7. Submit their carrying capacity computation and accomplished carrying capacity Forms 1-4 provided as attachment to this advisory (Form 1 - Carrying Capacity Computation Form, Form 2 - Equipment Utilization Plan, Form 3 - Summary of Practical Exercises and Assessments, and Form 4 - Weekly Class Schedule), list of available equipment being used for the conduct of practical/laboratory exercises and assessments, and corresponding QSS procedure.

Further, it is clarified that the Onboard Training of the BSMT and BSMarE programs can be enrolled at any time without prerequisites, based on the approved programs of study of the MHEIs.

Moreover, the submission of the updated DTS to MARINA STCW Office through CHED's Office of Programs and Standards Development (OPSD) is moved to **15 May 2022**.

For strict compliance.
