MARINA ADVISORY NO. 2022-58

Series of 2022

TO : ALL ASSESSMENT CENTERS (ACs) FOR SUPPORT LEVEL

SUBJECT : IMPLEMENTATION OF THE ENHANCED STANDARD PRACTICAL ASSESSMENT SCENARIOS FOR SUPPORT LEVEL

Pursuant to MARINA Advisory 2021-37 issued on 07 July 2021 providing the Competency Mapping for the Practical Assessment of Marine Deck and Engine Ratings and as part of the continual improvement initiatives, notice is hereby given to all accredited Assessment Centers (ACs) that effective **02 January 2023**, the practical assessment for certification for Support Level shall be compliant with the enhanced standard practical assessment scenarios for the following levels of responsibility:

| | |
|-----------|---|
| Annex I | Ratings Forming Part of a Navigational Watch; |
| Annex II | Ratings as Able Seafarer Deck; |
| Annex III | Ratings Forming Part of an Engineering Watch; |
| Annex IV | Ratings as Able Seafarer Engine; and |
| Annex V | Electro-Technical Ratings. |

Relative thereto, all ACs are hereby directed to submit the **softcopy** of validated practical assessment scenarios based on the enhanced standards. Likewise, the accomplished Practical Assessment Scenario Validation Form for all sets of scenarios shall be submitted to the official email address of the Examination and Assessment Division (EAD) through stcwo_ead@marina.gov.ph. All submissions shall be subjected to documentary review and subsequent validation and approval by the Board of Deck and Engine Ratings, respectively.

Further, new applicants shall adhere to the said standards and shall go through the process of approval as stipulated in Memorandum Circular No. SC 2022-03.

The standard scenarios and validation form shall be sent to your registered email addresses.

For strict compliance.
