ANNEX I

SPECIFIC QUALIFICATION STANDARDS AND DOCUMENTARY REQUIREMENTS FOR INSTRUCTORS, TRAINING COURSE ASSESSORS AND COMPETENCY ASSESSORS

Notes:

- If IMO MC Training 6.09 and/or 3.12 was taken more than 5 years, applicants must submit proof of completion of Continuing Development Training (CDT).
- Unless provided in the Specific Qualifications per course, the minimum acceptable gross tonnage and propulsion power on ships for the required seagoing service is 500 GRT and 750 KW, respectively
- For applications for re-accreditation of COAs, Certificate of Completion of Full Course required should be taken within the last five (5) years prior application for re-accreditation
- ****For Applicants for Competency Assessor**
 - Applicants for Competency Assessor who are not yet affiliated with any ACs at the time of issuance of this Circular shall be required to obtain COA as Training Course Assessor and have at least one (1) assessing session, evidenced by a TCROA, in addition to Certificate of Orientation Issued by the BOE.
 - Applicants for Competency Assessor who are affiliated with any ACs and are performing as an assessor of level/s of responsibility, evidenced by ROA issued within the validity of his/her COA as Assessor, will not be required to undergo Competency Assessor Orientation conducted by the BOE.
 - Applicants for Competency Assessor who are affiliated with AC/s and with experience as an assessor of level/s of responsibility, but with expired COA as an Assessor under STCW Circular No. 2014-04 for more than one (1) year shall be required to undergo Competency Assessor Orientation, in addition to revalidation requirements of this Circular.
- The qualification requirements in this Annex may be revised in subsequent amendments and shall be implemented without the re-issuing the Circular.
